

MILESTONE PLASTICS PVT LTD

About Us

Born in the heart of industrial silvasa Milestone Plastics was started not just to be conventional manufacturing company where profits are seen as the only asset, workers are just a resource and no thought is given for investing into the future. We started Milestone Plastics Pvt Ltd on the sole principle of innovation and excellence. As a young company we are always working around the clock to make sure whatever we deliver does justice to our name.

What we do

We manufacture and distribute all kinds of PET containers and caps. Our job is to make sure that the hard work and dedication that goes into building your product is validated by making it reach to the end user safe and sound.

Vision & Mission

We strive to be the premier international PET packaging supply chain from India And bring to this industry great new ideas through innovation.
